

1866

---

Pompy ( Jean Baptiste) died  
at the age of 61. He was son  
of SAEAG AWEA & BAPTISTE.

May 5, 1866

John B. Munn & Henry C. Wells  
of Waterloo, New York formed  
a Committee, and on

May 5, 1866 the Village  
of Waterloo celebrated its  
FIRST MEMORIAL DAY

The event turned into  
an Annual affair

the great ship dropped anchor in front  
of the telegraph office on the newfoundland  
Coast.

She also managed to retrieve the  
1865 cable from the sea floor -  $2\frac{1}{2}$  mi  
down. And splice it to the new line  
—msg: ~~Heest's content way newfoundland~~  
~~Telegraph station~~

Heest's Content, July 27. We arrived here  
at 9 o'clock this morning. All well. Thank  
God, the cable is laid and in perfect  
working order. Cyrus W. Field

1866

The giant ship "Great Eastern" was available to carry the new 2,300 miles long cable. In 1st attempt, they lost 1000 mi of cable.

In 1866 Field ordered 2,400 mi of new cable with improved Armoring of galvanized iron & on Fri July 13, 1866, Great Eastern steamed away from the Irish Coast & on July 27
